

# FOREVER MANCHESTER

**Throughout 2019 Nine St John Street has been celebrating the first decade of its Community Fund, Nine Lives.**

During those 10 years Nine Lives has been working in partnership with Forever Manchester to raise funds to help communities throughout Greater Manchester.

Forever Manchester is the only charity whose work is dedicated to fundraising for community activities across Greater Manchester.

From budding musicians to bedding planters, tea parties to dance performances, craft workshops to carnivals, Forever Manchester has donated to them all. The focus is on developing real communities - the kind where passion and shared interests lead to unrivalled opportunities to connect, make friends, share, interact, inspire, help, care and discover.

Each and every penny is delivered to around 1000 grass roots projects each year to support local people.

Nine Lives wants to say a HUGE 'Thank You' to all our wonderful friends at Forever Manchester for all of their hard work in making our communities happier and safer places to be.
